

Ranger Memorial Foundation, Inc
Application Form

Dear Applicant:

The National Ranger Memorial Foundation, Inc (NRMF) is seeking qualified candidates to compete for one of 20 \$1000.00 awards to be applied towards the chosen applicants' educational needs. The winning applicants will be notified, but the award will be sent directly to the applicant's educational institution. The NRMF scholarship fund was established in 1999 as part of the continuing mission of the NRMF to support the Ranger community, past, present, and future. An endowment fund was created that year to fund the yearly awards to qualified applicants.

We offer this scholarship to honor those that have chosen to dedicate themselves to the Ranger Creed as well as family members that have sacrificed to support all Rangers. While there are strict criteria as to who may apply, the scholarships will be awarded to qualified applicants without any preference to race, creed, color, ethnic origin, or religion.

Awards will be made to promising high school seniors (3.0 GPA) that have been accepted into a state accredited two- or four-year educational or technical institution. Students already enrolled in an accredited institution that have demonstrated academic ability (3.0 GPA) can also compete for the award. Financial necessity is not a factor in awarding the scholarships.

To apply, you will need to submit a completed application form, an official copy of their last transcript, and two letters of reference from non-family members, i.e., coach, clergy, company commander, etc. Please include addresses and phone numbers of the persons along with the requested references. Applicants will also be asked to list leadership activities and honors and awards. Some examples of leadership are team captain, leading a volunteer activity, or providing initiative to complete a project. Examples of acceptable honors and awards are from academia, civic or fraternal organizations, military service, etc. Applications must be postmarked and received by 1 January for consideration for the spring quarter/semester. Winners will be notified by when selected. Scholarships are awarded year round if you are a entering school later in the year.
